PROGRAM DESCRIPTION:

Swift After School is a fun, safe, and free space for youth and teens to engage with one another after the academic school day is over. Approximately 50 youth, ages 8 - 11, participate in the program each week to play sports and participate in enrichment and team-building activities. Teen mentors are invited to attend on a drop-in or regular basis to assist with programs and activities, all while acting as mentors for the youth participants. Swift After School is always a ton of fun, and a great way to develop ongoing mentor relationships.
