Basic Info

The Arizona Tax Credit for Contributions to Qualifying Charitable Organizations (formerly known as the 'Working Poor Tax Credit') was established by the Arizona State Legislature to provide services such as medical care, childcare, food, clothing, shelter and basic needs for employed families struggling to make ends meet. To encourage charitable contributions specifically for this fund, the state provides a credit of up to \$800 for married couples filing jointly (up to \$400 for all other filers). The deadline for qualifying donations: April 15, 2019.

*Swift Youth Foundation is certified with the State of Arizona as a qualifying charitable organization.

FAQ

How do I donate?

You can donate on our website at www.swiftyouth.org/taxcredit or you can mail a check to: Swift Youth Foundation, 16099 N 82nd Street, Suite B2A, Scottsdale, AZ 85260.

If I already gave through another tax credit, do I still qualify?

Yes!* The state of Arizona actually offers several different tax credits. If you have Arizona tax liability, you qualify for all of them! Here's a list of all of the tax credits so you can take full advantage:

- Contributions to Qualifying Charitable Organizations – Form 321 **Use this to claim your donation to Swift! QCO Code: 20358
- Contributions made or Fees Paid to a Public School - Form 322
- Individual Private School Tuition Credits – Form 323
- Contributions to Certified School Tuition Organization – Form 348
- Contributions to Qualifying Foster Care Charitable Organizations - Form 352
- AZ Military Relief Fund – Form 340

How do I qualify?

If you have an Arizona tax liability you qualify. If you file your taxes jointly, both spouses can qualify. You no longer need to itemize your tax deductions in order to qualify.

Do I qualify for the credit if I do not owe any taxes at year-end?

Yes. As long as your Arizona earnings are at least \$15,000*, then you'll have to pay at least \$200 in Arizona income tax. So if, for example, you want to make a \$200 tax credit donation to Swift (half of the maximum amount for individual filers) but you've already had \$400 withheld from your

paychecks throughout 2018, make the \$200 donation and then \$200 will be added to your AZ refund check (or deducted from what you owe).

How do I file for the credit?

You or your accountant report the name of the Qualifying Charitable Organization you donated to (Swift Youth Foundation), the dollar amount of your donation, as well as the QCO Code 20358 to the Department of Revenue on Form 321.
